With Personal Contract Purchase (PCP) you have the option after you have paid all of the regular monthly payments to:

((1) Return the vehicle and not pay the Optional Final Payment. In these examples if the vehicle has exceeded 32,667 miles, a charge of 4.8p (including VAT at 20%) will apply per excess mile. If the vehicle is in good condition (fair wear and tear accepted) and has not exceeded 32,667 miles you will have nothing further to pay. (2) Pay the Optional Final Payment to own the vehicle or (3) Part exchange the vehicle subject to settlement of your existing finance agreement; new finance agreements are subject to status.

We typically receive commission for introducing you to Suzuki Financial Services Ltd. The commission will either be a flat fee amount or a percentage of the amount that you borrow. Where we receive a flat fee amount, the commission will be the same, no matter how much you borrow or the interest rate that you pay. Where we receive a percentage of the amount you borrow, this means that the more you borrow, the more commission we will receive. However, the commission will be the same no matter the interest rate that you pay.
